

1st/2nd Grade Supply List

This year our Classroom will be doing a flexible seating chart. That means students will not have individual desks, but will instead choose seats that allow them to do their best work (see the back for more information). Please only send the supplies on the list; we will not have storage space for extra supplies. Some supplies will be shared by the class (community supplies). Please write your child's name on all their supplies, except community supplies.

package of Cap erasers (community supply!)
