Early Dismissal @ 11:30

School Improvement

Oakdale Grade School

August 14th, 2020

Welcome back!!!! We are finished with our first week!!! The students are doing a great job wearing their masks and social distancing by staying at least 6 feet from everyone. They are getting the routine down. It has changed, but it is still the good old Oakdale Grade School.

Please check out our website: www.oakdalegs.org to view Calendars, sport schedules, lunch menus and weekly newsletters to keep everyone updated.

Lunch and breakfast bills will go home the beginning of each month. Registration fees of \$50 per child will be put on the lunch bills if you haven't paid your child's fees yet.

A Text, E-mail, and Call will go out every Friday. Please let us know if you are not receiving this information.

You should be able to login to your child's account on www.teacherease.com. You will be able to see you child's up-to-date grades, communicate with staff, and keep up on current events. If you are having problems logging in, please contact the school.

Kindergarten, 2nd grade and 6th graders all need dental exams. Kindergarten and 6th graders need a school physical. All physicals and exams need to be completed and filed at school before October.

We had a great 1st week!!! See you all Monday!!!
