Oakdale Grade School Newsletter

August 16

Kindergarten, 2nd grade and 6th graders all need dental exams. Kindergarten and 6th graders need a school physical. All physicals and exams need to be done before October.

Pee Wee basketball will start in September. All 3rd – 5th graders participating need to have a sports physical before practicing. Practices will be three days a week until games start.

Lunch and breakfast bills will go home the beginning of each month.

Please check out our website: www.oakdalegs.org
Calendars, sport schedules, lunch menus and weekly newsletters are posted to keep everyone updated.

A text and One Call will go out every Friday. Please let us know if you are not receiving this information. Please talk to your children about using social media, such as “snapchat”. There has been some inappropriate content being sent in a group and there have been some Oakdale students in this group. Mr. Peterson spoke to the 5th – 8th grade students about the dangers of allowing someone in their group, or giving out their passwords to others. Someone may say they are someone, but may be someone else. Please ask your children what Mr. Peterson spoke to them about today. We want all our Oakdale students to be safe. If you have any questions, please call the school and speak to Mr. Peterson.
