Oakdale Grade School Newsletter

January 21st, 2022

With the surge in positive COVID cases, please err on the side of caution. If your child is experiencing any COVID symptoms, please keep them at home and seek medical attention. Headache and runny nose seem to be the most common COVID symptoms.

Volleyball is here!!! The 1st game is scheduled for February 1st @ Oakdale vs Coulterville. If your daughter is planning to participate in volleyball, they must have a current sports physical on file at Oakdale Grade School. Girls in grades 3-8 may participate.

Please check out the Oakdale Grade School Facebook Page and Oakdale Grade School website @ www.oakdalegs.org to keep up to date with current events, announcements, and other important information.

Please listen to One Call Now messages from the school in case we have to cancel due to inclement weather.

Have a great weekend!!!
