"Friday Fund Days"

After our School Improvement Day on Friday, January 15th, staff discussed creating activities that students can participate in to try to make school a little more "fun" during these difficult times with COVID mitigations in place, while helping out a great cause, our local food pantry! **We ask that students bring in items for the food pantry, such as dish soap, Clorox wipes, toilet paper, paper towels, tissues, diapers, small laundry detergent, toothpaste, deodorant, shampoo, any canned good, or non-perishable food items to participate, but it is NOT required to bring in an item to participate in the scheduled themed activity.** Check out the school website (www.oakdalegs.org) or Oakdale Grade School Facebook page for more info! Themes for upcoming Fridays are listed on the left.

If anyone in your household has tested positive for COVID-19, or has had close contact with someone who has tested positive, please contact the school.

Please make sure you have a plan in place for child care, just in case we are mandated to go to school-wide remote learning.

We will have our Valentine's Day Parties on February 10th @ 1:00 pm. Due to COVID mitigations, students will not be exchanging Valentine's Day cards. Teachers are working on other options instead of exchanging cards.

Please have your child dress appropriately for the cold temperatures we are experiencing. We are still currently going outside for mask breaks, recess, and PE when the weather allows.
