(Thanksgiving)**

Oakdale Grade School Newsletter

November 15, 2019

This year we will not be ordering yearbooks from Lifetouch. Our 7th and 8th grade computer class, with the help of Ms. Moran, will be making the yearbooks. We will have another individual picture day on November 20th for those who still need a picture. That will be the picture used in the yearbook.

Please remember to dress appropriate for the weather. We are still going outside for recess.

Retake pictures for Lifetouch are November 21st. Please let us know if you need a flyer for retakes. These pictures will NOT be used in the yearbook.
