Oakdale Grade School Newsletter

November 1st, 2019

This year we will not be ordering yearbooks from Lifetouch. Our 7th and 8th grade computer class, with the help of Ms. Moran, will be making the yearbooks. Everyone will have an individual picture taken on November 13th. That will be the picture used in the yearbook.

Just a reminder your child has to be fever free for 24 hours before returning to school.

Pee Wee basketball players need to turn in their uniforms.

Please remember to dress appropriate for the weather. We are still going outside for recess.

Lunch bills were sent home today.
