Oakdale Grade School Newsletter

November 30, 2018

The 4-H group is collecting new fleece blankets, hats, and gloves. All items can be dropped off at the school.

The 8th graders will be going to the High School on Thursday, December 5th. All students received a packet from the high school. It must be filled out and returned that day. Students will meet in the auditorium at 8:12 am. Please remember to send \$3.00 for lunch.

Santa's Cottage forms were sent home today. Please fill out your order form and return it to the school by Friday, December 7th with money. The OCEA would like to get an idea of how many items to purchase.
