Oakdale Grade School November 13th, 2020

The students have been doing a great job social distancing, using hand sanitizer, and wearing their masks. We have a very low number of remote learners. We have not had any positive student or staff cases. There has been a few who have had to quarantine due to being close contacts, but they did not show symptoms, or test positive. Beginning Monday, November 16th, Oakdale Grade School will be dismissing students at 3:00 pm, Monday through Thursday, and 12:30 pm on Fridays. We will continue to have school-wide remote learning on Friday afternoons. There is a possibility that we may go full remote if orders are passed down from the Governor, IDPH, ISBE, or the local health department. If any change in schedule is required because of positive cases in school, or because of mandated closure, information will be sent out as soon as we hear word.

The school will be having a chicken noodle/chili supper on November 20th. We will be providing a drive through service for all orders. More information to come next week.

If any student needs a retake picture please bring in your old packet the day of pictures Nov. 19th.

We are still going outside for breaks. Please dress according to the weather.
